

Since the beginning that's what we've been trying to do—perfect the “gist” of it all...becoming that amazingly popular product among young girls, attracting both older and younger siblings and mother figures alike... the fun...the personalization...aiming to be all encompassing as we seek out new mascots that outsell existing product at select locations...It is the thinking outside the box that moved us from there to here...think outside the box! ☺

Our Product

*ValGal Gifts' one-size fits all Necklines™ are **MADE IN THE USA** in Springfield, TN with 100% of our components being manufactured within the states by suppliers who ensure our metal products meet required safety standards. Each necklace is **hand assembled** with a band that is hand cut, allowing us to personalize each gift item to fit the trends and colors most popular to you and your region.*

*We offer **hundreds of styles** from initials to mascots, sports and dance, zoo and other wild animals, faith and fun! And, we are always aiming at adding something new—for you! We treat the girly girl with items as such, but offer a few styles versatile enough for the guys, as well. From ages 3 to 93, our Necklines™ grace the necks of all ages as the **Fashion Trend that Stretches from Generation to Generation™**.*

Ordering

*Our goal is to make it simple for the buyer with **ONE BASIC PRICE POINT** for the entire Neckline™, and a minimum opening order of \$150. Re-orders are \$50. Beyond that, choose to be as hands on or hands off as you like by allowing us to assort **your chosen styles on any one of 25 color bands**. Or grab an order form and name your favorite palettes, at no additional charge. Then, allow us to place your Necklines™ on one of our product cards with Scripture on the reverse side; or specify that you prefer no Scripture and we will honor that request. You may also choose one of our optional displays and let the display specifications on our catalog pages assist you in ordering the appropriate number of Necklines™ to fill each unit.*
